

NIHR Leicester Cardiovascular Biomedical Research Unit

Work Instruction: GENVASC: Ordering Consumables LLR

To order GENVASC consumables including the Patient Information Leaflet, Withdrawal Form, Adverts or Sample Bag Labels contact the GENVASC core team via the GENVASC email: genvasc@le.ac.uk or telephone 0116 204 4771/4738/4769

It is also possible also to request copies of the Practice Personnel Log, the CV Template and Meeting/Attendance Lists via this method if necessary.

If study specific material is required urgently, either email or telephone the core GENVASC team (Emma Beeston the GENVASC Research Nurse, the GENVASC Administrators: Dawn and Becki or Chris Greengrass the GENVASC Project Manager) on the numbers/email listed on the contacts sheet in the Site File.

Study materials ordered should take 1-2 weeks to arrive, so ensure orders are placed in good time so that the site does not run out.
